Project: Bank of America Plaza
101 East Kennedy Boulevard, Tampa, FL 33602

Building Description: Bank of America Plaza is a 42-story class "A" office building located in the heart of downtown Tampa. The top floor of the building is the highest accessible point in the city and features The Tampa Club. The original building construction was completed in 1983.

Certification Date: 25 February 2014

The USGBC Florida Gulf Coast Chapter congratulates each of the principals and companies that had a hand in this outstanding LEED project!

The USGBC Florida Gulf Coast Chapter, a nonprofit (501[c][3]) organization that is governed entirely by volunteers who serve without recompense, has three extremely active Branches under its organizational umbrella -- the Tampa Bay Branch, the Myakka River Branch, and the Southwest Florida Branch. Our Chapter family has nearly 1,000 dedicated Members and Friends, and would enthusiastically welcome you and your business to our group.
